## THANK YOU

Thank you **Dale Muto** for your hard work and caring heart during the past two months while I was recuperating from knee surgery.

Yes, I'm back and I missed you all. I would like to thank everyone (especially Debra) for their calls, cards, thoughts and prayers during my recovery time. I came back with a warm heart, a happy glow, a new right knee and a new granddaughter. What more could one ask for. Diane and Steve Borer took me in their home and Diane gave me friendship, love and good food while I stayed and recovered in her home.

I'm back and glad to be here with you again.

Love, Michele
